By J. S. STEPHENSON.

We have been informed that the United States Navy has decided to build a large warship, the "Saratoga," at the cost of $7,000,000. It is expected that this ship will be ready for service in six months. The "Saratoga" will be armed with ten 12-inch guns and three 9-inch guns. She will be 300 feet long and 45 feet wide, and will be capable of making 12 knots. The warship will be built at the Boston Navy Yard, and will be commanded by Captain John Bull. The "Saratoga" will be the largest and most powerful warship in the United States Navy. It is expected that she will be ready for service in six months.
