FREDERICK DOUGLASS' PAPER.

COMMUNICATED.

COMMUNICATION.

To the Editor of the \textit{Herald of Freedom}.

Sir:—In answer to your request, I am pleasure to communicate the inclosed paper to your readers.

I have not been able to obtain a correct estimate of the number of escaped slaves in the Southern States, but I believe it to be very large, and I am informed that the number of free negroes in the United States is greater than the number of whites.

I have also been informed that the number of free negroes in the Southern States is greater than the number of whites.

I am, &c.,
