VERMONT CHRONICLE

Vol. XXVI...No. 43.

Report of Committee on Education.

The committee on Education, in their report, stated that a great deal of progress has been made in the schools of the State, with a view to the improvement of the public school system. The report was adopted by the House.

Report of Committee on Agriculture.

The committee on Agriculture, in their report, pointed out the importance of agriculture as a source of wealth and prosperity. They recommended the establishment of agricultural schools and the promotion of agricultural societies. The report was adopted by the House.

Report of Committee on Roads and Bridges.

The committee on Roads and Bridges, in their report, stated that the improvement of the roads and bridges in the State is essential for the convenience of the public. They recommended the establishment of a road and bridge fund and the employment of skilled workmen for the purpose. The report was adopted by the House.

Recent Events.

The recent events in Europe, particularly the revolution in France, have caused much concern among the people. The situation is very uncertain and the future is uncertain. It is hoped that peace will be restored shortly.

State Printer.

The state printer, Mr. Johnson, has been working hard to complete the printing of the state laws and statutes. He has made good progress and it is expected that the work will be completed in the near future.

Vermont Valley Railroad.

The Vermont Valley Railroad has been in operation for some time and has proved to be a great convenience to the people of the region. The railroad company has been very successful and is planning to extend the line further.

Antonimol and Physiological Works.

Recently, a new country has been opened up for scientific study. This country, known as Antonomol, is rich in fruits and vegetables which are not found in other parts of the world. The people of Vermont are interested in this new discovery and are planning to send expeditions to explore and study this country.

Deaths.

A number of deaths have recently occurred in Vermont. These include the death of Mr. Jones, a prominent businessman, and Mrs. Smith, a well-known teacher. They will be sorely missed by their friends and family.

Marriages.

Several marriages have recently been performed in Vermont. These include the marriage of Mr. Brown and Miss Green, and Mr. Davis and Miss Smith. They are all to be congratulated on this happy occasion.

Commercial.

The business of the city is booming and the people are doing well. The merchants are doing a good business and the factories are running at capacity. The future looks bright for the city.
